Music Video | Boy Division | Runner | Feb 2019

On a small studio shoot I was responsible for operating playback, assisting the set dressing department and collecting lunches. I also completed any tasks given to me by the director throughout the day.

Work Experience:

Media Dog Hire | May 2019

During the week I was shown, then responsible for the process of testing the equipment after it was brought back. This included cleaning lenses, operating cameras (Arri Amira, Alexa Mini, FS7) and testing lights and tripods.

The One Show | BBC Pacific Quay | Jan 2019

I spent a few days with The One Show's team of researchers in Glasgow. They took me through what it was they did day to day and asked me to write a treatment of my own after I completed researching the chosen topic.

Ford Advert | LS Productions | Oct 2017

On set for the shooting of a Ford advert. I was essentially shadowing various crew members and assisting where I could. First time on a set of that scale so it was a great learning experience.

Education:

- HND TV Production - Glasgow Kelvin College

Other Employment:

Assistant Manager | Travelodge Hotels | Mar 2012 - Jun 2017

I completed an SVQ 3 in Hospitality leadership and management and then progressed into the assistant manager role. I was responsible for the day to day running of the business, delivering excellent customer service, managing budgets, completing H&S checks and training new team members.
