Personal Summary

I am an organised and adaptable individual with experience working on a variety of projects in Film and TV Production. I have also produced and directed my own creative projects including commercials, short films, documentaries and music videos. My work has been featured in local and national press in the UK, and screened at film festivals including SXSW.

Education

University of Glasgow (2009 – 2013)

MA (Hons) 2:1 English Literature & Politics

- A member of the *Cut Filmmaking Society*, where I collaborated on student films and projects.
- An editor on the *Glasgow University Guardian* newspaper. This role allowed me to develop my research and journalism skills in a fast paced environment, while working to strict deadlines.

University of California (2011 – 2012)

English Literature, Politics & Screenwriting.

As part of my degree I studied abroad for one year at the University of California. I studied my core subjects of English Literature and Politics, but I also enrolled in a yearlong Screenwriting course.

- A member of the *UC Film Society* while in California. I directed two short films and collaborated on other student film projects.

Professional Skills

- Over 25 with full, clean driving licence & experience driving a range of vehicles including vans.
- BECTU Training - *Risk Management for Film & TV*
- Fully competent user of all Microsoft Office and MAC software packages
